Positioned as the leading aerospace event in the booming Asian aerospace and defense market, the Singapore Airshow 2012 opening for business 14-19 February, is expected to be 25% larger than the 2010 event, covering some 50,000 square meters of exhibition space at the Changi Exhibition Centre. Singapore's leading defence manufacturer Singapore Technologies (ST) Engineering is the biggest exhibitor at the show, spanned over 3,000 square meters of space.

The show covers commercial, business and military aviation and defense systems. The Land Defense Pavilion at Singapore Airshow and Unmanned Systems Showcase, which will include indoor and outdoor demonstrations and displays.

The following list outlines some of the planned participants in the static display Singapore Airshow 2012.

Performers in the daily flying displays will include The Republic of Singapore Air Force F-16C and F-15SG appearing together for the first time in an aerial display. The Australian Roulettes aerobatic team flying RAAF P-9C, the Malaysian Smokey Bandits aerobatic performers flying RMAF MiG-29, and the Australian Blair Aerosports Rebel 300. The Boeing C-17 is also expected to perform solo aerobatics with a B-52 expected to flyby during the air display.

Static Aircraft Display

- Airbus ACJ318
- Airbus Military A-330 MRTT
- Alenia Aermacchi T346B
- Beriev Be-200
- Blair Aerosports Rebel 300
- Boeing AH-6i
- Boeing AH-64 APACHE (RSAF)
- Boeing C-17 (USAF)
- Boeing E-3B Sentry (AWACS)
- Boeing KC-135 (USAF)
- Bombardier Challenger 300
- Bombardier CRJ 900
- Bombardier Global Express XRS
- Bombardier Q400
- Cessna Citation Sovereign
- Cessna Citation XLS+
- Cessna Grand Caravan
- Dassault Falcon 7X
- Dassault Falcon 2000LX
- Elbit Systems Hermes 450 (RSAF)
- Elbit Systems Hermes 900
- Embraer E-190
- Embraer Legacy 500
- Embraer Legacy 650
- Embraer Lineage 1000
- Embraer Phenom 100
- Embraer Phenom 300
- Eurocopter EC-135
- Eurocopter EC-145
- Eurocopter AS 350B
- Gulfstream 150
- Gulfstream 450
- Gulfstream 550 AEW (RSAF)
- Hawker Beechcraft Hawker 900 XP
- Hawker Beechcraft Hawker 4000

- Hawker Beechcraft Beech Kingair 350
- IAI Heron I (RSAF)
- Lockheed martin C-130J (RAAF)
- Lockheed Martin F-35 JSF
- Lockheed Martin F-15SG (RSAF)
- Lockheed Martin F-16D+ (RSAF)
- Lockheed Martin P-3C (US Navy)
- MiG-29N (RMAF)
- Piaggio Aero P180 AVANTI II
- RUAG Dornier 228NG
- Pilatus PC-9 (RAAF Roulettes)
- UAC MiG-29 (RMAF Smokey Bandits)
- Sikorsky S-70B (RSAF)
- Sikorsky S-92
- Viking Air Twin Otter 400
