

Red Tails Actors fly in POF P-51s

Actors from the hit movie **Red Tails** got to ride in Planes of Fame Air Museum's two P-51 Mustangs. Click on the image below to view the video.

The image is a screenshot of a video gallery page on ASBmedia. On the left is a user profile for 'ASBMEDIA' with a shield-shaped logo containing the letters 'A', 'S', and 'B'. The profile shows 'Lifetime Posts: 515' and several action buttons: 'Send Message', 'Add Friend', 'Block User', 'Invite to Group', and 'Report User'. The main content area features a video player with the title 'RED TAILS ACTORS FLY IN MUSTANGS' and a resolution of '480p (Widescreen)'. The video thumbnail has a black background with white text: 'ASB.tv takes THE CAST OF "RED TAILS" for their first MUSTANG RIDE'. Below the thumbnail is a description: 'More than three years ago, Ed Shpley drove Red Tails Director Anthony Hemingway to Chino, CA where he joined the newly selected actors for the Lucas Film on the Tuskegee airmen. It was day of dreams, brotherhood and the beginning of an adventure. For ASB, it was another remarkable step in the long movie-making process that started at the Gathering of Mustangs and Legends years earlier.' Metadata includes 'Date: Januar 23, 2012 1:41 nachm.
